

# WHICH SOS SUMMER WORKSHOP IS RIGHT FOR YOUR STUDENT?

Grade Entering	6	7-8	6-8	9	10-12	9-12	9-12
Reason why this workshop is a must do for your student this summer!	You are concerned about the transition to middle school and the increased expectations.	Your student missed out on strategies & key study skills this year & could benefit from an EF boost!	There wasn't enough direct writing instruction or practice this past school year.	Gives your student the skills they need for the successful shift into the more rigorous demands of high school!	Students get a crash course in the workings of the prefrontal cortex & its impact on school with vital EF tips for success!	An essential study skill! Your student learns how to take notes from multiple sources and how use them for studying and papers!	Refresh and develop essay writing skills without having to deal with deadlines and pressure.
